

PRESS RELEASE

Change in the Senior Management of LEM

Plan-les-Ouates, 12 January, 2009 - The CFO of LEM, Ageeth Walti has decided to leave the company and take up a new challenge. LEM endeavors to replace her in due time.

The Senior Management Team and the Board of Directors regret this decision and would like to thank her for the services rendered and wish her all the best for the future.

LEM – At the heart of power electronics

LEM is the global leader in providing innovative and high quality solutions for measuring electrical parameters. Its current and voltage transducers are used in a broad range of applications in industrial, traction, energy & automation and automotive markets. LEM is a high growth global company with approximately 950 employees worldwide. It has production plants in Geneva (Switzerland), Machida (Japan), Beijing (China) and regional sales offices close to its customer's locations. LEM has been listed on the SIX Swiss Exchange since 1986; the company's ticker symbol is LEHN.
