

PRESS RELEASE

LEM announces Julius Renk as new CFO

Plan-les-Ouates, 1 September, 2009 - LEM the market leader in providing innovative and high quality solutions for measuring electrical parameters, announces Julius Renk as new CFO.

Julius Renk joins the company on September 1, 2009, and progressively takes over the responsibilities from Heinz Stübi, who has been the Interim CFO of LEM since May 2009.

Julius Renk is of German nationality. He holds a Masters degree of Arts of the University of St. Gallen and of International Management of the CESM in Barcelona. He has a professional background and experience in finance and controlling from various positions in large international organizations.

LEM – At the heart of power electronics

LEM is the global leader in providing innovative and high quality solutions for measuring electrical parameters. Its current and voltage transducers are used in a broad range of applications in industrial, traction, energy & automation and automotive markets. LEM is a high growth global company with approximately 900 employees worldwide. It has production plants in Geneva (Switzerland), Copenhagen (Denmark), Machida (Japan), Beijing (China) and regional sales offices close to its customer's locations. LEM has been listed on the SIX Swiss Exchange since 1986; the company's ticker symbol is LEHN.
