

Product Change Notification Geneva, 01st March 2024 PCN-007_2024_1-OMTG23002I Additional production line in LEM Malaysia CAS-NP, CASR-NP and CKSR-NP series UPDATE for CKSR 50-NP (see in red)

Based on the JEDEC Standard JESD46 standard (latest release), please kindly provide your approval for below change within 30 days.

Not for publication unless permission is granted by LEM

Dear customer,

To answer to continuous market requirement for improved performances, and in a permanent effort to improve the quality of its products, LEM intends to proceed to some modification on CAS-NP, CASR-NP and CKSR-NP series.

Concerned products:

CAS 15-NP; CAS 15-NP/SP1; CAS 25-NP; CAS 25-NP/SP1; CAS 50-NP; CAS 6-NP;

CASR 15-NP; CASR 15-NP/SP1; CASR 15-NP/SP3; CASR 25-NP; CASR 25-NP/SP1; CASR 25-NP/SP3; CASR 50-NP; CASR 50-NP/SP1; CASR 50-NP/SP3;

CASR 6-NP; CASR 6-NP/SP1; CASR 6-NP/SP3; CASR 6-NP/SP5;

CKSR 15-NP; CKSR 25-NP; CKSR 25-NP/SP3;

CKSR 50-NP; CKSR 50-NP/SP1:

CKSR 6-NP; CKSR 75-NP;

Change:

> Description of the technical change:

Additional production line in LEM Malaysia production center identical to the already existing current other CAS-NP; CASR-NP; CKSR-NP production lines in LEM China.

All parts and sub-assembling composing the products will still come from the same suppliers as before. The only difference will be the final assembling and tests done in LEM's Malaysian production center located in Penang.

The complete products will be built in LEM Malaysia (Penang).

During first 1-2 years of production, the production line will be focused on producing the following models:

CKSR 6-NP, CKSR 15-NP, CKSR 25-NP, CKSR 75-NP. and CKSR 50-NP

Then in future, CAS-NP; CASR-NP models will be able to be produced either at LEM China or at LEM Malaysia.

> Reason of the technical change:

Increase production capacity to comply with market requirement and avoid delivery shortages.

Impact on the product:

On the form: NO
On the fit: NO
On the function: NO
On the reliability: NO
On the data sheet: NO
On the process: NO
On the quality: NO
On the functional safety characteristics: NO

Schedule of the modification:

Start of delivery of modified product	Mid July 2024
---------------------------------------	---------------

Customer feedback:

To ensure a smooth change, and in order to answer to any of your requirements issued by this change, please fill in the <u>Customer Return Sheet</u> (Annex 1 on page 4) and send it back to us <u>following 30 days at</u> the latest.

In case we do not receive any answer following 30 days at the latest, we will assume:

- Your acceptance to the change.
- No need for samples
- No additional need.

Please return the Customer Return Sheet to:

LEM

Mail to:

After customer acknowledgement, lack of additional customer response within the time defined until the change implementation constitutes acceptance of the change by the customer.

Sincerely yours,

Stéphane ROLLIER

Product Manager

Customer Return Sheet
