## ROHS Compliance Statement

We hereby certify, in the context of our activities and in accordance with DIRECTIVE 2011/65/EU (ROHS), that our products and processes that implied one of the substances listed under the annex II of the Directive 2011/65/EU are used accordingly to this regulation and her applicable exception.

LEM produce may contain lead in a concentration lower than 4 weight percent in accordance with the exemption 6(c) set out in the annex III of the Directive 2011/65/EU and paragraph 5 and 6 of the articles 5.

To date, all other substances contain in the annex II of the DIRECTIVE 2011/65/EU (ROHS 2) and the DIRECTIVE (EU) 2015/863 amending Annex II to Directive 2011/65/EU (ROHS 3) are not present in Lem product.

We ensure ongoing regulatory monitoring to guarantee the continued compliance of our products with any changes to the RoHS directive. Any modification likely to impact the compliance of our products will be communicated appropriately to our customers and partners.

Questions regarding the application of the Restriction of Hazardous Substances at LEM can be addressed to your usual sales contact or to [reach@lem.com](mailto:reach@lem.com).
