RoHS Compliance Statement

We hereby certify that LEM complies with applicable regulations and in particular with the European directive **2011/65/EU** on Restriction of the use of certain Hazardous Substances (**RoHS 2**) in electrical and electronic equipment (**RoHS 2**).

In 2015 the Annex II of the RoHS Directive has been amended by the Commission Delegated Directive **2015/863**, known as **RoHS 3**, adding four phthalates (*DEHP, BBP, DBP and DIBP*) to the list of six restricted substances (*Lead, Mercury, Hexavalent Chromium, PBB, PBDE and Cadmium*).

To the best of our knowledge, our products do not contain any of substances restricted by the **RoHS3** Directive above threshold limits defined in the Annex II, unless the restrictive substance is subject to an exemption contained in the Annex III of the EU Directive RoHS.

Geneva – March 10, 2025

A handwritten signature in black ink, appearing to be 'RS' with a horizontal line underneath.
