REACH Compliance Statement

We hereby certify, in the context of our activities and in accordance with Regulation (EC) No 1907/2006 (REACH), that our products and processes do not contain any substances listed in Annex XIV (List of substances subject to authorisation).

We further confirm the use of substances listed in Annex XVII (List of restrictions), in strict compliance with the conditions and limitations imposed by the regulation.

Our products may contain substances identified as Substances of Very High Concern (SVHC) included in the Candidate List published by ECHA. We comply with all information obligations set out in Article 33 of the REACH Regulation and, where applicable, make the necessary notifications in the SCIP database in accordance with the Waste Framework Directive.

We ensure ongoing regulatory monitoring to guarantee the continued compliance of our products with any changes to the REACH Regulation. Any modification likely to impact the compliance of our products will be communicated appropriately to our customers and partners.

Questions regarding the application of the Registration, Evaluation, Authorisation and Restriction of Chemicals Regulation at LEM can be addressed to your usual sales contact or to reach@lem.com.
